# Orchestra Victoria Musical Storytime: Bila's Big Dance

The water in the Yaba River is low, the country is in a drought, the waterbirds are hungry. Bila the Spoonbill knows he must do something to help. A rain dance could be the answer. But will Bila be able to bring together the waterbird mob? And can he lead them in a grand enough dance to make the rain fall again?

This relaxed, interactive performance invites children to participate in the storytelling and discover the sounds of different musical instruments. This is a perfect first musical experience for young people aged 5-8. Young (and young at heart) readers and music-lovers will be singing and dancing all the way home.
